

# Reykjavik Marathon in Iceland 22 August 2009

Oliver Greenslade, Richard Hughes, Henri Hottinger and Thora Helgadóttir have all worked with James at Kaupthing and, as all who know James, have been touched by his personality and friendship. In addition, Leila (a friend of the James and the guys from London) joined the fray. The marathon was the culmination of months of training for the team.

Oli ran a 3hrs 29mins for the marathon so was very pleased to break the 3.30 barrier and his PB by 16mins. Thora ran in 53min. Richard achieved a personal best.

The runners were very pleased with the sponsorship response for James and appreciated all the lovely messages from sponsors. The Foundation is most grateful to them for their effort and to all their sponsors for their contributions. One must never underestimate the challenge of running a marathon in a puffin costume!
